

RUBBER HEX DUMBBELL

The Sorinex Rubber Hex Dumbbell is a heavy-duty rubber encased dumbbell with a chrome plated handle. The heavy-duty rubber minimizes noise and helps limit damage to your dumbbells and flooring. The dumbbells are sold in pairs and go from 5-100 lbs in 5 lb increments and are also available in sets of 5-50 lb, 55-100 lb, and 5-100lb.
