

STANDING DESK

Utilizing the same 11-Gauge 4-Way Hole Tubing technology as our famous racks and gear, the Sorinex Standing Desk allows for ultimate office versatility in your home or workplace. Originally designed in 2015 for use inside our manufacturing and office spaces for our own team at Sorinex HQ. The stand-up design offers maximum versatility while accepting all of our patented Sorinex rack attachments. Attach storage hooks, pins, Jammer Arms or a J*Squat™ right to your desk.
