

STORAGE CART

The Sorinex Storage Cart is built with lockable heavy-duty wheels, bolt-on storage hooks, and a Sorinex branded top tray for miscellaneous items. Built with the same industry-leading 3"x 3" 4-way hole design as our Base Camp and XL Series racks and rigs, the Sorinex Storage Cart can accept most rack and storage attachments. The Storage Cart can be customized to specific storage options, unique solutions or branded to your school's colors and logos. Order the Grip Storage Cart option and get a storage cart already packed with all the tools you need for developing grip strength and the ideal unit to store them.
