

# XL SERIES™ YOKE

## BENEFITS

The Sorinex XL Yoke is the single most usable piece of equipment in today's training world. It's a yoke, squat rack, and pull-up stand. Featuring the Sorinex XL Line, it is made of 3"x3" 11 Gauge American steel tubing.

The 2-inch hole spacing on all four sides gives you the ability to construct a limitless number of unique set-ups for any size floorplan. The XL can accommodate all Base Camp accessories. Great for the Heavy Duty functional training, strongman training, home gym usage, and even smaller Collegiate setups.
