Large Breeds	41– 70lbs	\$35-40
XLarge Breeds	71 – 100lbs	\$40-50
*XXLarge Breeds	100lbs and up	\$50+
add \$5 every 10lbs over 100lbs - requires an appointment		
All Cats		\$40-70

Puppies First Groom*

Your new puppy's first visit will include a bath, ears, and nail trim \$20

Anal Glands \$10+

Having your pets' anal glands expressed helps prevent impaction or infection of the anal glands. Common signs of discomfort may be dragging of the posterior on the ground, biting or licking the anus, sitting uncomfortably, difficulty sitting or standing, or tail chasing.

De-Shed \$15-50

Helps eliminate excess shedding with the removal of undercoats

Self Bath \$12

The "Do It Yourself" Package includes access to our large deluxe elevated tub, optional use of our assorted natural/organic line or shampoos & conditioners, two towels, and our professional blow dryer. NO mess to clean

Full Body Cuts*

Schedule an Appointment Today!

Are you a worried pet parent? Or has your pampered pet had a poor grooming experience? We aim to please, schedule a private session where you can be present with the groomer and pet until you both feel comfortable.

*All prices subject to change. Prices are estimates and may be adjusted based on the pet's behavior and/or coat texture, thickness & condition

Naturally Unleashed
Pet Nutrition Center

FOOD IS DYNAMIC...

It is essential for the support, healing and cleansing of our bodies and our pets' bodies. They depend on us to make the RIGHT choices when it comes to their nutrition and care.

In order to maintain the best skin and coat, try any of our premium lines of foods: Acana, Blue Buffalo, Bravo, Diamond, Fromm, Orijen, Zignature, Nutrisource, Nature's Logic, Stella & Chewy's, Taste of the Wild, The Honest Kitchen and many more. You will see and feel the difference.

Consistent premium ingredients with no bi-products or "fillers" mean your pet will digest food more efficiently. High quality ingredients now can save you on vet visits in the long run.

Naturally Unleashed, through demanding standards and clear cut manufacturing assurances, only selects the finest in natural, holistic, and organic foods, treats, and supplements. Food is the primary source in unleashing a happier and healthier pet.
