

RIFAUPG-LEDBULB
RIFA LED UPGRADE 80W BULB

Initial Setup

1. Pass the RIFA remote control through the rear of the RIFA soft box.

2. Index the bulb so the large slot on the socket of the bulb lines up with the large pin on the lamp plug.

Push the bulb onto the plug and twist to install.

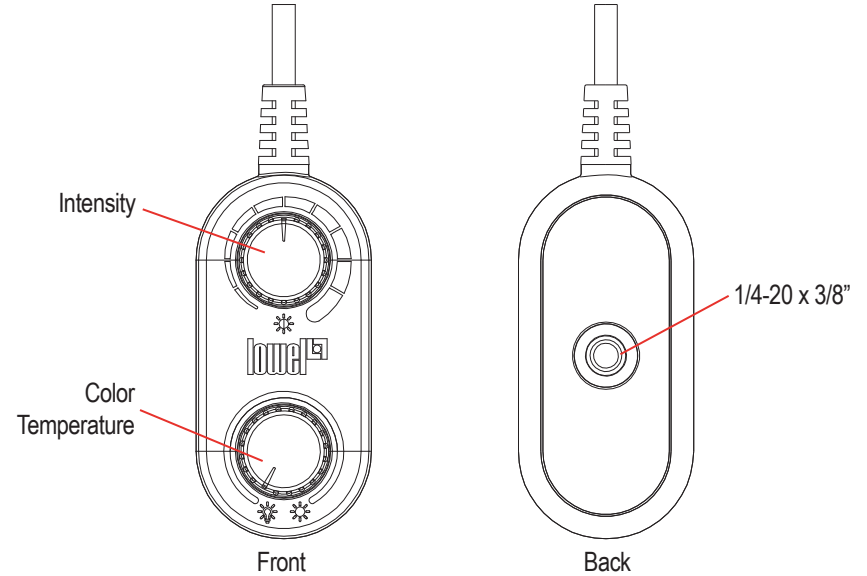

!CAUTION!
BULB WILL BE HOT AFTER USE.
ALLOW TO COMPLETELY COOL
BEFORE REMOVING
