Hello Navy Yacht Club!

October has zipped by very quickly and we are headed into the Holidays Season starting this month with Thanksgiving. Before you know it, this year will be gone. This past month we celebrated Octoberfest and had a Halloween Pot-Luck, all in good weather except for the high winds in the foothill and mountains, which again caused several fires. Thank God for our great firefighters for the great work they do protecting lives and homes.

This next month, we have our Annual Dinner Meeting on November 9, where we thank our members and staff for the jobs they have done over the past year and also introduce the new officers and Board for next year. This year we are having entertainment and dancing following the presentations. Soooo, I hope you can join us in what promises to be a great event.

Also, I would like to let you all know that the new NYCLB directory is complete and we should have copies available at the General Meeting, November 9, 2019. One for each member. In addition, we have been advised by the Marine department that parking passes will again be made available to our paid members who do not have Alamitos Bay or Shoreline parking passes. These will be passed out to the appropriate members after payment of next year's dues.

Now I would like to take this time to remind everyone of the changes the Board has made this past year in regard to the Friday Pot-lucks:

It is the practice of the club to host pot-luck dinners, typically on Friday evenings.

- a. Members are encouraged to bring appetizers, entrees, salad or dessert to share for 6 to 8.
- b. If no food is brought to share, you are not allowed to partake in the sharing of food.**
- c. After pot-lucks and/or events, please take your leftovers with you. Do not put food in the refrigerator for others to throw out.
- d. Members may bring their own beverages (alcoholic and non-alcoholic) to pot-lucks.

This change was needed after more people were wanting to pay \$5.00 instead of bringing food. And that resulted in not nearly enough food for those attending. Pot-lucks were originated with the intent that all in attendance would bring food to share.

Don't let this scare you off, our **Friday Pot-lucks are still** well attended and I hope our good weather continues to co-operate.

Till next month, I look forward to seeing you around the Club.

Hello Navy Yacht Club!

Well, here we are in November. The holiday season is here and summer, despite the 90-degree days recently, is on it's way out.

The Oktoberfest event went well. The winner of the costume party was Ashlyn, the Brasher's granddaughter and I heard she entertained everyone with the Chicken Dance! I would like to thank the Brashers and the Wheelers for hosting this shindig!

Last Friday, Oct 25th was our Halloween Potluck. Always lots of fun! This will come out after the potluck so hope you all read your email announcements and showed up in costume!

Well, we are almost done for the year. We have our **Annual General Meeting** on Nov. 9th at the Seal Beach Yacht Club hosted by Steve and Marie Stanec, with a great dinner and dancing to follow. Our new Board of Directors will be announced and introduced.

December 14th is the Christmas Boat Parade, always a big event, so plan ahead to be there. This year we will have the Club and Bar open for all to come watch the parade. No cost to you, just bring your dinner, blankets and/or chairs and come watch the parade. All are welcome. The Bar is open, so Hosted Bar Rules will apply. You can bring your own wine, but a \$5.00 corkage fee will be required. We will have set our clocks back by then, so it will be getting dark earlier. Club will be open about 4 so you can eat and be Merry before the parade.

Have a very Happy and safe Thanksgiving! Give thanks and be grateful for all you have and are able to do!

Always my best,
Polly Mullen

Dear fellow members,

We are heading down the home stretch of this year's activities and there is still so much to do. We have received 4 more applications to join Navy Yacht Club.... GO NAVY....

Adam Jung active service U.S. Air Force

Steve Lesse, Retired U.S. Navy

George Miller, Retired U.S. Navy

Ty Nelson, U.S. Army, Active duty

I do think we are becoming the envy of the yachting community. I love it.

I will let the other officers talk about the events on tap for November.

Speaking of the other officers and Directors, they have all done outstanding jobs on behalf of the membership. When you see any of them let them know what you think about their efforts and how much you appreciate them. It is not all wine and roses in these leadership posts, holding meetings, making deep thought decisions, writing reports, etc. We do it because we want to give something back to the club where we have had so much joy and friendship. It helps and strengthens our desire to do a better job when we receive a pat on the back and a "thank you". I hope that in future years you will feel the same way too.

See you at the next fun event

Fair winds and calm seas.

Ahoy Mates,

Thank you to those that voted and returned your ballot in the stamped self-addressed envelope by the November 1st deadline.

Ballot results will be announced at the November 9th Annual Meeting. Hope to see many of you in attendance.

Sincerely,
Becky Martinez

Costume Contest!

Navy YC Long Beach racing is over for the 2019 calendar year. Our race, the Navy Day Regatta was conducted this past Saturday, 19 October. We had a good turnout for this two-race day. Thirteen boats were entered in three classes. The first race was a short windward / leeward race with a downwind finish. The second race was a 8.7 K mile race with an inside finish at the club.

In the PHRF "A" fleet we had five boats. Flaquita finished first in both races, second in both races was the NYCLB's Raptor, third (again in both races) was the Shock 35, Whiplash, fourth was Dos Amigos (both races) and in fifth was Gator sailing with all their friends and family in memory of Gator's long time skipper Todd Wheatley. Todd passed the Monday prior to this race.

In the PHRF "B" fleet it was Syndicate in first with a (1,1), NYCLB's Renegade was second with a (2,2), followed by Love & War (3,4) and Bilbo Baggins (3,4).

In the "C" fleet; in first was One More Time wining both races. Swell Lover was in second with seconds in both races. Fiat Lux and Bellissima were third and fourth.

The turnout for the after-race Tacos by Becky was excellent. Trophies from our race sponsors Bahia Marine and Spice Girls were presented after a moment of silence to honor Todd Wheatley. The great crowd enjoyed the light wind sea stories, the tacos, and some adult beverages. The club made a nice profit too!

Our PRO, Tony also presented the trophies from the Long Beach Harbor High Point Series. First place was Syndicate, followed by Fiat Lux and Dos Amigos.

Tuesday's Salty Sailors sailing continues - we will sail year-round. If you don't have a sailing vessel just bring yourself, bring you friends and family – there is always a skipper in need of crew. We meet at the club any Tuesday at 11:30. The club website has the most recent NYCLB Senior Salty Sailors course chart. Gather up your friends and family and join us.

Continued on next page.

The Tuesday SS results follow:

Tuesday 1 October: On this Salty Sailor's race we had five boats on course # 56. a 6.3-mile cruise. The wind ranged from 6.5 to 11.0 knots.

Our first leg was a tight reach to the Anaheim Bay Channel Buoy "2" for a look at the lobster pots and kelp surrounding the oil platform Esther. From there we head off on a reach across the bay to Mark 34 for a look at the Belmont Pier. Our next leg was a beat back to Mark 38 on the southeast side of Island Chaffee and then off to the finish at the Alamitos Bay A Buoy.

In first place, Shadowfax followed by Green Dragon, Raptor, Macs and Lucky Boy.

Tuesday 8 October: On this Tuesday we had five boats on course # 52, a 6.5-mile cruise. The wind was in a range from 5.0 to 10.0 knots.

Our first leg was a beat out to the east end of the wall taking Mark 31 to starboard, and dodging kelp in the process, from there we head off on a reach across the bay to the Belmont Pool at Mark 39, again to starboard. The next leg found us paralleling the beach on a broad reach as we head to Mark 32, again rounding to starboard, then we headed off on a beat to the finish at Mark 38. All-in-all a fun afternoon sail.

In first place, Raptor followed by Shadowfax, Swell Lover, Macs and Lucky Boy.

Tuesday 15 October: This Tuesday we had six boats on course # 7, a 7.2-mile cruise of the harbor. The wind ranged from 5.0 to 13.5 knots.

The first leg was a beat out to the east end of the breakwater taking Mark 31 to starboard, the beat continued as we headed west along the wall towards Queens Gate taking Mark 36 to starboard (see how this is setting up). The next leg found us on a reach towards Island Grissom, taking Mark 39 to starboard and then running the beach on a tight reach to Mark 32 again to starboard and the finish at the virtual A Buoy. Just a delightful afternoon sail with our sailing friends. Oh, and John Setchell, on Windfall, was able to join us after a year hiatus.

In first place Raptor followed by Windfall, Shadowfax, Windhaven, Swell Lover, and Lucky Boy.

Tuesday 22 October: On this Tuesday we had seven boats on course # 20, a 7.8-mile cruise of the harbor. The wind ranged from 5.0 to 16.5 knots.

Our first leg was a beat out to the west end of the breakwater taking Mark 36 to starboard, the next leg was a run to Mark 27, the Long Beach center channel R2 Buoy, from there we head off on a downwind run towards the Belmont Pier, rounding Mark 34, to starboard. Our next leg paralleled the beach on our way to Mark 32, from there we headed out on a beat to the east side of Island Chaffee rounding Mark 38 to port and off on reach to the finish at the Alamitos Bay A Buoy.

In first place Lucky Boy, followed closely by Shadowfax, Swell Lover, Windhaven, Love and War, Macs and new to the fleet SLainte.
