Hello Navy Yacht Club, November has been a very busy month. We had our General Meeting with 75 Members present, a very good dinner and a Frank Sinatra singer for entertainment. This past year's officers were recognized, and the newly elected Officers and Board were announced. In all, a very good evening. If you missed this one be sure and catch the one next November.

Our member directory is out and all members who attended the general meeting received their copy. I also mailed copies to out of state non-resident members so that they should be getting theirs shortly. For those that have not received theirs as of yet, they will be made available at all club scheduled functions, so see me or Marie at one of these and pick up your copy. One to each member, it already has your name on it.

Another thing we did this month was to work on a budget for 2020. The good news is this year's board as well as next year's board agreed there will be no dues increase. So, we are attaching a membership renewal form to this Scuttlebutt so that you can send in you 2020 dues early. Sherrill, our treasurer has advised me that any checks received this year will not be deposited until after the first of the New Year. **So, let's get those renewals in before the first of the year!!!**

In the past few weeks, I have talked to the Marine Department regarding 2020 parking passes. They advised me that they will again be providing us parking passes for next year to the 2020 members that do not have boats in Shoreline or Alamos Bay marinas. Since we do not know which of our members will renew their membership until we receive their renewal form and dues, we cannot issue parking passes until that renewal form is submitted and the dues are paid.

The Marine Department have assured me that they will be looking for new parking passes in the marina starting January 1, 2020. And all the boaters will have received theirs prior to the end of December. To help with our particular situation, they have given me Temporary Parking Passes for the month of January to give to those members that pay before we are able to give the Marine Department a formal 2020 list of all non-boat members. Another reason to get your dues in early.

Till next month, I look forward to seeing you around the Club.

Hello Navy Yacht Club!

Congrats to the new Board of Directors! The year flew by and thanks to all who stepped up and helped with all the events this year. We have one more on the books. See below

**December 14 is the Christmas Boat Parade**, always a big event, so plan ahead to be there. This year we will have the Club and Bar open for all to come watch the parade. No cost to you. The Bar is open so no hosted Bar Rules will apply. You can bring your own wine, but a \$5.00 corkage fee will be required. The Club will be open about 4 so you can eat and be Merry before the parade, which starts at 6pm I believe.

Wishing you all a very Merry Christmas, Happy Holidays and a very Happy and Healthy New Year!

Always my best,

Polly Mullen

Hello everybody.

This is my last article as Rear Commodore. I hope you have found my input beneficial over the past year. It has been an honor to bring you information about membership. There is one very important issue I must bring to your attention.

Part of the responsibility of the Rear Commodore is membership renewals. Renewals are due January 1, 2020. A renewal form is included in this issue of Scuttlebutt and will be included in future editions. Additionally, there are renewal forms in the clubhouse. Please submit your annual renewal form and appropriate dues amount ASAP along with any changes in your personal information to 2020 Rear Commodore, Hap Wood. Those change amendments will then be added into future editions of the club directory. Remember, your renewal dues are due January 1, 2020.

If you make the decision to not renew your membership, I would ask you to send a short e-mail advising us of your decision. That will create a vacancy in our membership list and allow us to process new members whose applications are on the waiting list. Navy Yacht Club Long Beach has been fortunate to have a full membership and we would want to continue that way.

Happy Holidays to everyone!

Merry Christmas and Happy New Year to all!

After five years as an officer for NYCLB, this is my final Scuttlebutt letter to membership. It has been an honor to serve NYCLB these past years. Honestly, I am not completely sure if I am ready to jump for joy and fade away into the sea or just take a little break. What I do know is that this time with NYCLB has been a wonderful journey!

I've had the honor of leading our membership in several different capacities. Two years as Rear Commodore, one year as Fleet Captain, one year as Commodore and the final year as Jr. Staff Commodore. Each position has had its moments of fun, excitement, and growth, not just for me but for the club.

Throughout the years, I have enjoyed each transition, but of course each had its challenges. Since the beginning, membership has grown, special events have increased, and our financial stability has improved.

I must applaud, with a big THANK YOU, our membership for the great support that you gave me throughout the last five years. We could not have accomplished any of our forward movement without YOU!

Our membership is the backbone of all the NYCLB growth and the successful community service that you so kindly and generously donate to our community.

Our new board will need each and every one of you to continue to support our mission in a positive, forward-looking way.

Thank you to all for your years of support!

## Race Chair Report for November 2019

Navy YC Long Beach racers are coming to the end of another great year of racing in Southern California. The last race series of 2019 will be over on 1 December. With one race to go in the Sunday Sailors Series, our racers are in the hunt for trophies again. In PHRF A, Raptor is in first and Shadowbox is just one point out of second. In PHRF C Dawn Patrol is in Second and Renegade is in 5th but just 3 points from 3rd. Good luck to everyone in the final race. Then it's time to get our boats ready for next year - racing starts again the first week in January - only in Southern California!!

**Tuesday's Salty Sailors** sailing continues - we will sail year-round. If you don't have a sailing vessel just bring yourself, bring you friends and family – there is always a skipper in need of crew. We meet at the the club any Tuesday at 11:30. The club website has the most recent NYCLB Senior Salty Sailors course chart. Gather up your friends and family and join us.

The Tuesday SS results follow:

**Tuesday 22 October:** We had seven boats on course # 20, a 7.8-mile cruise of the harbor. The wind ranged from 5.0 to 16.5 knots.

Our first leg was a beat out to the west end of the breakwater taking Mark 36 to starboard, the next leg was a run to Mark 27, the Long Beach center channel R2 Buoy, from there we head off on a downwind run towards the Belmont Pier, rounding Mark 34, to starboard. Our next leg paralleled the beach on our way to Mark 32, from there we headed out on a beat to the east side of Island Chaffee rounding Mark 38 to port and off on reach to the finish at the Alamitos Bay A Buoy.

In first place Lucky Boy, followed closely by Shadowfax, Swell Lover, Windhaven, Love and War, Macs and new to the fleet SLainte.

**Tuesday 29 October:** On this Tuesday we had six boats on course # 50, a 8.4 mile cruise of the harbor chop. The wind ranged from 6.0 to 14.0 knots.

Continued on next page...

Our first leg was a beat/slog through the wind chop out to the Anaheim Bay Chanel Buoy R "2" from there we headed off on a reach to the center of the beach rounding Mark 33. The next leg out to Mark 31 proved challenging for some of us with an 80 degree wind shifts on the east side of the course, unfortunately Shadowfax and Windhaven were on the east side while Raptor was on the favored side of the shift beating us out to the wall by seven minutes (ouch). From there we head back towards the beach rounding Mark 34 at the Belmont Pier and the off to the finish at Mark 38.

In first place, with a horizon job on the fleet, Raptor followed hours later by Shadowfax, Windhaven, SLainte, Luck Boy and Macs -DNF

**Tuesday 12 November:** We had six boats on course # 53, a 5.9-mile zigzag cruise of the harbor. The wind ranged from 6.0 to 13.0 knots.

Our first leg was a beat out to the center of the breakwater rounding Mark 37 to starboard, from there we headed west on a tight reach to the Long Beach Center Channel R "2" buoy rounding it to starboard. On the next leg, we headed east paralleling the beach on our way to the west end of the Alamitos Bay jetty, rounding Mark 32 to starboard. The final leg was a beat to the finish at Mark 38.

In first place, Callisto followed by Windhaven, Swell Lover, Shadowfax, Raptor and Luck Boy - DNF

**Tuesday 19 November:** We had six boats on course # 37, a 6.1-mile cruise of the harbor. The wind ranged from 5.5 to 10.0 knots.

Our first leg was a beat out to the East end of the breakwater rounding Mark 31 to starboard, from there we headed on an enjoyable reach splitting two anchored freighters on our way to the Long Beach Center Channel R "2" buoy - Mark 27 rounding it to starboard. As we headed off towards Island Grissom on a wing-on-wing run, the wind decrease and a work barge decided to cut through the fleet on our approach to Mark 39. The last leg to the finish was a 2.5-mile tight reach to Mark 38.

In first place, by miles, Macs followed by Shadowfax, Callisto II, SLainte, Luck Boy and Raptor- DNF.
