June was another successful month for NYCLB. Next time you're at the clubhouse, be sure to check out our new window covering! This bright enhancement has occurred thanks to member Cathy Acevedo, who donated funds from sales of her custom greeting cards. And thank you to our members who supported Cathy and her artistic talent.

I'd like to welcome our new Vice Commodore, Tony Rietdyk, who has stepped up to fill the VC position for the remainder of the year. As most of you know, our Vice Commodore Victor Padilla and his wife Pam will be relocating out of state soon.

Tony, a Staff Commodore, brings much experience and dedication to our club and we are very pleased that he has volunteered to help out this year. So far, during Tony's first month of service he's organized our successful Father's Day event. Soon we will all be experiencing his second event on July 3. Tony has also installed new stepping stones in our patio, managing with the very modest budget.

This last month brought us several new challenges. Members voted on a few bylaw revisions at a Special Membership meeting held on June 10. The NYCLB Bylaws Committee will soon email everyone an overview of the changes and voting decisions.

There is one last item that I'd like your feedback on: Every November, NYCLB holds its annual Membership meeting and Commodores' Awards Banquet. For the past four years the banquet has been held in the city of Cypress at the Navy Golf Course. Last year we had fifty-seven attendees. The meal was wonderful, with a cost of \$65 per person all inclusive. Of this cost, our members paid \$40 each and the club subsidized the balance.

This year we are planning to hold the November Meeting & Awards Banquet here in Alamitos Bay at the Boathouse on the Bay. Daylight saving time will end on our meeting day of November 4, so we can expect colder weather and earlier darkness. Because of this we'll have an early dinner along with presentation of awards and an informative overview of 2018. The estimate for the cost per member for a delicious dinner is \$50 all inclusive, with each paying \$35.00 and the club subsidizing the balance of \$15 per-person for each meal. Let me know what you think of this arrangement by July 10<sup>th</sup> and if you will consider attending this annual event?

We look forward to another successful month this July. Please be sure to join in on the fun and camaraderie at the clubhouse and our events.

See everyone soon,  
Becky Martinez, Commodore

Hello All,

I hope everyone enjoyed Father's Day event. We had a good turnout. The lunch was provided by "The Abbey" and it was fabulous. After lunch we had a "Corn Hole" tournament with 18 members signed up for the single elimination. Bean bags were going in all directions, but after it was all done, Victor Padilla got "First Overall", "Second Overall" was Evan Warren and "Third Overall" was Doug Wilson, after he beat Frank Farmer for third place. Great job guys! It was fun to watch standing on the side lines after Victor beat me badly in the second round. There were gift boxes given out to the top three. One gift box was named "Taste Good", the other named "Feels Good", and the last was "Looks Good". The winner of that round was Doug Wilson, in my opinion, being the last one to pick, he ended up with "Taste Good", which had a lot of goodies to eat in it.

Members also played "Washers", a game similar to "Corn Hole", but played with giant washers not bean bags. Overall, Father's Day was very successful, and I hope everyone had a good time. At this time, I would like to thank all the helpers who volunteered for this event; Joyce and Rodney (Decorations), Kenneth, Brenda and Moti (Bar), Cindy Ramirez for being my liaison with The Abbey, Sherrill Overfield for handling the registration at the gate and all the members who help setup and take down the tables, take out the trash and all the other stuff we do.

June was a busy month, but July will be busier. Upcoming events are the 3<sup>rd</sup> of July Fireworks and a Cruise-Out to Newport Marina Park.

Hope to see around the club and at these events.

Thanks,  
Tony Rietdyk  
Vice commodore

Hello Navy Yacht Club Members! Welcome New Members! Welcome July!

Summer is officially here and I hope you are all looking forward to a fabulous summer at NYCLB. I wanted to take this opportunity to remind everyone that NYCLB is a VOLUNTEER club. All the potlucks, events and holidays do not just magically happen. It takes people, time and energy to provide these for you.

I would first like to thank all you regulars who show up and get 'er done! I would also like to extend an invitation to all members, but especially new members, to step up and get involved in the club. We need you and volunteering is the best way to learn about all the club has to offer, and how it works! Reach out to your sponsor or one of the Board Members and let us know how you would like to help!

We have several important functions coming in the near future;  
Elections for the Board of Directors, September/October timeframe.  
Our Annual General Meeting in November  
Please watch for more information on these coming events.

Each year, we ask for people who are interested in serving as Directors or as possible members of the Board to step up. Tommy Wheeler, our Jr. Staff Commodore, will be heading up the Nominating Committee, so put your thinking caps on and be ready to let us know if you are interested in becoming more active in the club or know someone who is.

Our Annual General Meeting, in November, is your opportunity to meet the newly elected Flag Officers, Board of Directors and appointed staff members and to say thanks for those who served you in the past. This meeting is FOR YOU, the membership, to get together and celebrate our club! We have tried really hard to make this a fun and wonderful evening for our club. I believe we have smoothed out some of the past wrinkles and plan on having a great party this year where ALL are welcome and counted upon to be there. Please plan on attending. Part of being a member in NYCLB is being a Part of NYCLB!

Our membership is growing with each month! Thanks to all who are spreading the word and the Membership Committee for all they do! We are already matching the number of our membership last year (177 members) and it is only July! Five (5) more months of bringing incredible new people in! Keep up the good work!

Always my best,  
Polly Mullen  
Rear Commodore

So, summer is in full swing, but it looks like Mother Nature didn't get the memo. We had our cruise-out to Two Harbors on the weekend of the 22<sup>nd</sup> and the weather just didn't want us to go in the water. All the plans in the world can't change the fact that we are at the mercy of the gods. The temperature didn't get above 75 degrees, so there was no float-a-palooza. If we had gotten in the water, I think we would have looked more like icebergs than happy sailors. The wind kicked up Saturday and prevented our BBQ on the beach and Hillbilly Golf. However, it didn't stop us from having a wonderful time. We had some homemade Buffalo Milks and BBQed on the back of the boat. It was unfortunate that we did have one boat problem that prevented everyone from making it over. The good news, no one was injured and the problem has already been rectified. So sorry Hap. Excellent time had by all. Thank you to Sylvia, Pam, Victor, Marie, Steve, Polly, Sparky, Terry, Tracy and Michael.

It is now time to start the process of gathering nominations for next year's Board of Directors. If you have any interest in throwing your name in the pot, please let me know. Don't think that just because you are a new member or that you don't have much experience in the yachting world are good reasons to hold back. Everyone has some good qualities and experiences that can be used to make our little organization all the better. Good common sense are hard to beat. If interested, you can get a description of job requirements from the By-Laws. There are also plenty of past Board members that can help guide you through the process. I need all those interested to let me know by 8/20/18.

Very Respectfully,  
Tommy Wheeler  
J/S Commodore

Navy Yacht Club boats participated in sailing races in the Seal Beach YC Thursday Pop-Top Series and in the 137 boat entry, Long Beach Race Week. In the Pop-Tops, we had Dawn Patrol entered in the 10 boat PHRF C fleet. They finish with a 1, 3, (4), 3 record to take 2<sup>nd</sup> place. Great sailing Paul Turang!! In PHRF A fleet, the J109s, Shadowfax and Raptor represented NYCLB.

In Long Beach Race Week, J109 "Raptor" represented NYCLB and the J109 fleet in PHRF D. Raptor finished the seven race regatta 2<sup>nd</sup> in PHRF D.

Tuesday Sailing continues. The races are a pursuit style race and goal is to finish close together. This is one of the easiest ways to go racing. If you don't have a sailing vessel just bring yourself – there is always a skipper in need of crew. The club website has the most recent NYCLB Senior Salty Sailors course chart: **26 February 2018.**

The Tuesday SS results follow:

Tuesday 5 June Race: Course was #13 and the winner was J35 "Macs".

Tuesday 12 June Race: On this Tuesday, we had four boats race on course # 25, 6.3 miles, wind in the 6.0 to 10.0 knot range. In first place, Green Dragon, followed by Windhaven, Shadowfax and Macs.

Tuesday 19 June race: We had three boats race on course # 4, 6.8 miles, wind in the 8.0 to 14.0 knot range. In first place, Shadowfax followed by Macs and Green Dragon.

Tuesday 26 June race: We had a match race between the J/Boats, Macs and Shadowfax. The agreed on course was #21, an outside course of 6.9 miles. The wind range was from 10.0 to 18.0 knots. In first place, Shadowfax followed by Macs 38 seconds later.

# Cruise-Out to Two Harbors!

## June 22—24

At the bar and Harbor Reef Restaurant...

Happy Hour!

Good-Bye  
Two Harbors...  
Until next time!

# Member's Corner

Hello all, from your Staff Commodore!

I was asked to write an article about our recent cruise-out to Catalina Island. No, we didn't go to Avalon. As you all know, it's the West End that we all love and visit. Pam and I were asked by Tommy and Sylvia Wheeler to join them on their boat "Happy Hours" for our going away present from them. We left on Friday morning and, across the way, was Hap Wood in the same marina and he was just leaving before us. Well, as we left a little later, we heard that Hap was on the way out and had engine troubles. He was out near Queens Gate and we pulled up next to him. He had already called for a tow and we talked with him and he said he was good. We then left for the island. We had a nice crossing with little seas, as I can attest, because I slept the entire way over.

We tied up and had a little lunch, then we went up to the bar area. We see Terry and Sparky Ferguson are already there with Michael Alley and Tracy Leigh. We had a great time talking and of course Terry is telling us some great jokes. Oh, I forgot to mention that when we were having our lunch on the boat, we noticed Michael and Tracy were going by in their dingy. We didn't know they'd be there. What a pleasant surprise! We all met up at the bar, so you know the stories of past cruise-outs were the topic of the day.

Friday evening, Sylvia set us up for a dinner at the Reef Restaurant. From what I was told, someone caught a swordfish just that morning and the restaurant bought it. That is what most of us ordered for the catch of the day. You can't get much fresher fish than that! It was very good. For dinner, it was Tommy, Sylvia, Terry, Sparky, Pam and me.

On Saturday morning, Steve and Marie Stanec, with Polly Mullen arrived. This is when the partying started. We had planned a 'float-a-palooza', but the day was overcast and windy. Instead, they came over to Tommy's boat and we had a little happy hour on "Happy Ours". After that, we were invited to Michael Alley's boat "Seaductive" for Tracy's Buffalo Milk drinks. They were the bomb! Way better than the bar. We had planned to go to Buffalo Park to do a BBQ and play some hillbilly golf, but because of the winds, Marie said let's just go to our boat, "Her Way", to BBQ our dinner. You can see in the photos, we had a dinner fit for royalty. Sylvia brought a cake to celebrate Pam's birthday and Steve's birthday. They are both June birthdays.

We had the best time with all and I will tell you when the next cruise-out comes, please join us, as you will find out more about the members who you don't know much about. On this cruise-out, I have gotten to know Polly more and I have the utmost respect for her. I've learned so much with just talking with her this weekend. This is what our club is all about. Having a really good time just being together and enjoying the time together.

Pam and I will miss some of these times, but we will be back from time to time to participate in the club events.

Victor and Pam
