Hello Navy Yacht Club,

July has been a lot busier than last month with the 3<sup>rd</sup> of July Fireworks party, the 4<sup>th</sup> of July “Grill your Own” party and the Army 113<sup>th</sup> Medical Battalion’s “Meet and Greet - Family Day” along with our normal Friday Potlucks. Our club was “fun filled” and busy with events and activities.

We were also able to get our front canopy back up with the new supports. All is looking up!!!!

The Army’s “Meet and Greet – Family Day” went very well with 74 attendees, including several children. To start with, we were able to put up some new banners, which read: “WELCOME HOME, NAVY YACHT CLUB LONG BEACH THANKS YOU FOR YOUR SERVICE”

A few of our members like Dena Tierney, Marie Stanec, Joyce Coomber, Jim and Robbi Nagashima, Ken Overfield, Hap Wood, Tony Rietdyk and Cindy Ramirez, went above and beyond by their work or personal donations which made the event very special for all the returning troops and their families.

The Duffy rides were a definite success and we could have used even more of them. Although the kids going after the Piñata was also very entertaining. The guest speakers who advised the returning troops on all the available help and services available to them was a very important part of the program. You can’t imagine what all these young soldiers must go through being separated from their families for like 18 months at a time and in many cases multiple deployments. It is humbling just to talk to them and listen to their stories. These are the troops that deal with the sick and injured overseas. We owe them a great deal.

The Bob Hope Orange County Chapter of the USO provided and prepared all the food and served it as well. They were great to work with and were pleased with the way we were able to accommodate their needs. I feel we will see them both again in the future. A very good representation for NYCLB. When you are in the Club, take a look at the “LETTER of APPRECIATION” we received from the Army.

I believe you will also see some of the pictures that were taken at all the events elsewhere in the Scuttlebutt and on our website.

Till next month, I look forward to seeing you around the Club!

Hello Navy Yacht Clubbers!

Hope you are all having a great summer! It finally showed up! I can't believe July is almost over???? We had a great turn out for July 3<sup>rd</sup> Fireworks event. I would like to thank Doug & Lorraine Wilson for their bartending expertise! Along with Colleen Taylor and all those who stepped up and lent a hand. You know who you are, you always show up! Which brings me to this; when NYCLB has a published paid event, with published procedures for guests and family, they need to be followed. They apply to everyone. You cannot just show up and come in. Especially these large popular events where space is limited and reservations and payment is required. You all have received a NYCLB Directory with our Bylaws and House Rules printed in them. Please make sure you read and are familiar with them. For those of you, who followed the procedures, paid, attended and had a good time, Thank You!

Coming up soon: SAVE THE DATE

**August 4**, NYCLB/IOBG Charity Regatta Brunch hosted by Rodney & Joyce Coomber. This is one of the charities that Navy YC promotes and contributes to. Please come out for our Breakfast Brunch with custom made Omelets by our very own members, Bill & LaVon Plumlee. \$20/person. All proceeds go directly to the Children's Charity. RSVP to Joyce Coomber so we get enough food. See the flyer for more details.

**August 18**, Our champagne bus trip to Del Mar Race Track with lunch at the Dana Point YC hosted by Steve and Marie Stanec. \$75/person. I believe this event is now closed. Check with Marie.

**Sept 8**, Our Wounded Veterans Iowa Boat Tour hosted by Tommy & Sylvia Wheeler. Come out and support our Vets! This is followed by a BBQ lunch for all our visitors and is always a fun, fun, day. Look for more information on this event.

**Sept 21**, NYCLB and Little Ships Fleet YC is joining together to help Clean the Bay on this Statewide Cleanup effort. See Moti or Rodney for more information.

Safe Travels,

Until next time, have a great summer!!!!

All my best,  
Polly Mullen

Hi fellow Navy Yacht Club members,

I am pleased to report we are still attracting new members every month. We are one of the few clubs that are constantly growing. I have it on good authority we are nearing our membership cap and once achieved we will only process applications from military background candidates. Others will be put on a wait list. Our limitation is of course the size of our facility. On any given popular event, we could inadvertently exceed seating for attendees or, even worse, a safe limit of people attending.

That leads me to an upcoming event that I hope you sincerely consider. **On Sunday, August 4<sup>th</sup>, Navy Yacht Club Long Beach and International Order of the Blue Gavel will be sponsoring a Charity fundraiser Custom Omelet Brunch supporting TCC (The Children's Clinic) of Long Beach.** The Yacht Clubs of Long Beach have supported this worthy charity for 33 years. So come on out, enjoy a delicious meal with Champagne, play games and win the treasures offered up in the raffles. Remember, it is for a very good cause.

Please RSVP Joyce Jackson-Coomber so we can prepare enough food for the event.

Hello Membership,

The countdown to the 2020 election has begun! That is, the election of NYCLB's Flag Officers and Directors for 2020.

The Nominating Committee has been chosen, and I am confident they will return the best slate possible for you to vote on in October. The members are:

- Becky Martinez, Jr. Staff Commodore Chair
- Tony Rietdyk, Staff Commodore
- Gary Haliburton, Staff Commodore
- Roy Queen, Staff Commodore
- Tommy Wheeler, Staff Commodore
- Steve Stanec, Commodore
- Debbie Neil, Member at Large
- Wendell Fleming, Member at Large

Last month, I asked those of you who are (or may be) interested in running for a Board of Directors position to contact me. So far, I have heard from very few of you. If you have some fresh ideas for the club, if you'd like to donate your time in an official capacity, or you would just like more information about the responsibilities of a Board member to explore whether or not to run, please contact me, by phone or email. I would love to have that conversation with you! You can also contact any member of the Nominating Committee to express your interest or request information. We need to hear from you!

Have a wonderful August!

The fifth race of the Long Beach Harbor Series, the “Beat the Heat Race” was conducted by Little Ships Fleet YC on Saturday 13 July 2019. This turned out to be a very lightly attended Race. There were two spinnaker class boats and 3 non-spin boats racing. In the spin class, Raptor won the race when Dos Amigos dropped out while sailing the weather leg outside the outer breakwall. In the non Spin class, it was Fiat Lux (1st), Que Linda (2nd) and Bellissima (3rd). With the completion of five of eight races, Fiat Lux is the overall leader in the series.

NYCLB boats are representing the club in races around the harbor. Shadowfax, Renegade and Dawn Patrol are racing in the SIBYC Thursday night Pop-Tops. In series three after three races, Shadowfax is 1st in PHRF B, and Dawn Patrol is tied for 2nd in PHRF D. Raptor competed in the Second series of the Long Beach YC Wet Wednesday’s and was 1st PHRF fleet.

Tuesday’s Salty Sailors sailing continues. If you don’t have a sailing vessel just bring yourself, bring you friends and family – there is always a skipper in need of crew. We meet at the the club any Tuesday at 11:30. The club website has the most recent NYCLB Senior Salty Sailors course chart: **Check for the most recent chart just out for July racing!!**

Gather up your friends and family and join us.

The Tuesday SS results follow:

Tuesday 2 July: On this Tuesday we had five boats on course #5, a six mile course starting off with an east to west cruise along the Long Beach Breakwater, Mark 31 followed by Mark 37, Mark 30 and Mark 36, all taken to starboard. On our next leg we were on a run to Mark 27 - Buoy R2, we then headed off on a tight reached between the oil platforms to Mark 38, finishing at the A - Buoy.

The wind ranged between 5.0 to just barely 8.0 knots.

In first place, Raptor followed by Shadowfax, Windhaven, Sorrento Siren and Lucky Boy.

Continued...

Tuesday 9 July: We had six boats on course #57, a 7.3 mile tour of the harbor:

On the first leg we headed south on a reach to Mark 35 - Seal Beach Pier, from there we headed across the bay on a (3.5 mile) tight reach to Mark 27 - R2 buoy in the middle of the Long Beach Harbor Main Channel. Our next leg was along the Long Beach Breakwater to Mark 31 - east end of the breakwater. Our final leg was a deep run to the A Buoy. Overall a fun, but challenging course.

The wind started off in the 8 knot range and built to 16.0

In first place, Raptor followed by Shadowfax, Swell Lover, Windhaven, Dad's Dream and Sorrento Siren.

Tuesday 16 July: On this Tuesday we had four boats and lots of crew on course #60, a 7.7 mile tour of the harbor:

On the first leg we headed up to Mark 31 on the east end of breakwater, from there we headed on a tight reach to Mark 35 - West end of the Seal Beach Pier. Our next leg (3.5 miles) took us across the bay on reach to Mark 39 - West end of Island Grissom. Our final leg was a tight reach back to Mark - 38 for the finish.

The wind stayed in an enjoyable range of 6 knot to 10 knots.

In first place, Shadowfax followed by Swell Lover, Green Dragon and Windhaven.

In an effort to make it fun for all participants, next week we plan on allowing Dad's Dream and Sorrento Siren additional time. For those of you who have not sailed your boats with us for while we will make appropriate rating adjustments (Callisto II, Amelieden, Buenafe, etc.)

Tuesday 23 July: We had 6 boats that started on course #7. This was a 7.2 mile course from Mark 38 to Mark 31 on the other breakaway then to Mark 36 near Queens Gate. The course then continued to Mark 39 near Shoreline marina and back to Mark 32 near the Alamitos bay Entrance and then finished at the "A" bouy in the entrance.

Four boats finished the course in in a little over an hour. First boat to finish was Shadowfax, followed by Raptor, Green Dragon and Windhaven.

**Navy Yacht Club Long Beach  
Hosts our 4th Annual  
Wounded Veteran's Cruise/Luncheon  
Sunday, September 8, 2019**

All club members are welcome to help us host our 4th Cruise and luncheon for local Wounded Veterans. We plan to take them on a cruise of Long Beach Harbor, to include a passing of the battleship, USS Iowa. We are asking for volunteers with boats to take them out, as well as members to help set up the club house. We'd like to have a few extra hands to help get the Veterans onboard and disembark. For this, we need club members with strong hands and big hearts. The BBQ lunch will be served to everyone upon return.

Arrival time for boats: 9 AM.

Veteranas to arrive: 9:30 AM.

After everything is in place, we'll introduce our boat Captains, special guests and be on our way. I look forward to hearing from you as soon as possible and I sincerely appreciate your continued support for this event.
