## Commodore Rodney Coomber

G'day all you wonderful members of Navy Yacht Club Long Beach.

I hope you have been having a great summer so far in spite of how hot it has been. We had a good turnout for the Salt and Lime Tequila Time. Everyone who attended agreed it was a really wonderful event. Becky B and her volunteers made it memorable and because of that it will probably be done again next year. By the time scuttlebutt is published the Women Veterans Duffy Cruise will have taken place. I see the intense planning taking place by Becky M (Jr. Staff Commodore) and her volunteers. It will be a very successful event. It makes me feel so good that our club can honor our military veterans in any way we can.

Please read the scuttlebutt all the way through to be informed of what is on the calendar for the rest of the year. Sunday September 4 is Summer Sunday grill your own B-B-Q.

We have now entered the election of officers and directors time frame. As of now nominations for having your name, or the name of your chosen member for office, are being accepted up to but no later than September 20. All nominations are to be sent to both

Rebecca Martinez, Jr. Staff Commodore [rmart57979@aol.com](mailto:rmart57979@aol.com) and  
Stephen Batiz Election Communications Custodian [sbatiz@batiz.com](mailto:sbatiz@batiz.com)

All candidates will have the opportunity to present themselves at a "Meet the Candidates" pot luck at the club Friday September 23.

The election committee will meet to create a ballot from the qualified list of candidates.

For election secrecy the election will be on line by the same company that held our election last year.

The company will e-mail your ballot to you October 5. If you do not respond they will text the ballot. Please vote for the members you want or write in any other candidate you choose.

The election result will be announced at the General Membership meeting Sunday November 6.

Mark Sunday, November 6 on your calendars for the General Membership meeting at the Navy golf Course in Cypress. That and Opening Day are the two biggest events of our yacht club year.

A new award has been added to the list for presentation at the General Membership meeting. This is the John P. Larson "RISING STAR" award to be presented to a new member who has demonstrated extraordinary service during their initial membership period of 12 to 18 months. Nominations are accepted up to September 30, 2022. Please submit a nomination for yourself or another member by September 30, 2022 to Rodney Coomber, Commodore, [anzac1240@yahoo.com](mailto:anzac1240@yahoo.com). The awards committee will seriously consider all submissions.

Wishing you calm seas and gentle breezes

Rodney Coomber, Commodore

**Vice Commodore  
Charles Buckner**

Ahoy Membership,

August came and went in a blur! One of our main events was a repeat, by popular demand, from last year: “Salt & Lime, Tequila Time!”, organized by Becky Byrum (and a whole host of volunteers). It was indeed another great time had by all and no doubt will be requested again for next year. Another fabulous event was the Military Women’s Duffy Ride, organized by Rebecca Martinez and again a wonderful group of Club volunteers. See Rebecca’s report for details, and check out some of the fun pictures in the photo gallery.

In August we celebrated the birthdays of 16 members (5 Leo and 11 Virgo):

Leo (August 1-22)

Diana Aperlo-Davide, Brittany Arias, Daniel Brinkman, Heinz Butner, Brad Hunter, Joyce Jackson-Coomber, Rob Martin, Cynthia Ramirez, Ron Toman, Sharon Butner, Thomas Welch, William Yi Virgo

(August 23-31)

Phil Collins, Jeremy Lane, Paul Truang, Walt Zolczanski, Jay Zaidenberg

Congratulations on another trip around the sun!

In September we will see the Harvest Moon, as well as a number of exciting events at the Club. On the 4th, we'll host our final Summer Sunday BYO BBQ. What better way to celebrate Labor Day than searing your own meat and mingling with Club members?! If you'd like to stretch your horizons, come join the "Chair Yoga" class on the 18th. This is a joint event with our sister Club Little Ships Fleet. Bring your spiritual self and get into your "Ohmmmmmm"

And right around the corner, in October, we'll have our next themed Potluck "Gilligan's Island" on the 7th, and "October Fest - Beer & Brats" on the 22nd.

Be sure and check out the flyer's on our website and signup for the events your interests and schedule allow.

Last but not least, you are no doubt aware that we are in the nomination period (August 20 to September 20) for next year's Flag Officers and Directors positions. This is your opportunity to join the Board or appointed staff and be directly involved in the management of the Club. Your welcome to nominate yourself or any club member for any qualified position. Refer to the Club's By-laws in your NYCLB Directory and the email from Rebecca Martinez (sent out August 19) for details. Join in and together let's make 2023 the best year ever at NYCLB!

I'm looking forward to seeing you all at the Club soon.

Cheers,

Captain Charles

August was another successful month. We continue to see interest from the community in joining the Navy Yacht Club. We have already gained 23 new members since January 2022 and have received applications from an addition 5 great candidates. We will easily be back to our previous membership level. If you are a sponsor for any of the pending applicants, please help them complete the application approval process by encouraging them to participate in two events. ### **Safety & Seamanship – Visual Distress Signals**

Federal and state law requires that recreational vessels longer than 16 feet carry USCG-approved visual distress signals. This requirement is often met with pyrotechnic flares, either handheld flares or aerial flares shot from a flare pistol. A minimum of three flares for both day and night use are required (some flares are certified for both day and night use so you only need to carry three – otherwise you need three of each).

Flares should be stowed in an accessible location, kept in usable condition (a waterproof box is a good option) and not expired. Expired flares don't meet the requirement of the regulation so if your flares are expired you could be subject to a fine. So obviously, pyrotechnic flares need to be replaced on a regular basis (usually 42 months after manufacture). Which leaves the problem of what to do with expired flares, which are classified as Hazardous Material.

#### Options include:

Keep expired flares onboard as “extras.” As long as you have a sufficient number of unexpired flares onboard you meet the requirement. Expired flares, especially if properly stored, may be serviceable and give you some extra signaling ability. But expired flares can become unstable, so they shouldn't be kept too long after expiration and should be stored in a clearly marked container separate from unexpired flares

Check with your local hazardous waste disposal facilities to see if they will accept expired marine flares (don't get your hopes up, most do not)

Check with your local Coast Guard Auxiliary to see if they will accept expired flares for use in training

Look for local expired marine flare collection events (like the upcoming one on September 10 in Wilmington)

Consider switching to electronic visual signaling devices which meet the USCG requirement but do not expire or generate hazardous waste

#### Not recommended:

**Do not** throw expired flares in household trash, marina dumpsters or overboard

**Do not** soak expired pyrotechnics in water. This does not render them safe

**Do not** fire them off for “practice.” Even if you make the appropriate radio calls this could set off a search-and-rescue operation and you could be subject to very large fines

## **Cruising Program**

We have a cruise-out scheduled for September 16-18 at Cabrillo Beach Yacht Club in San Pedro. If you're interested in participating, either bringing your boat or joining the group by car for social activities, please contact the fleet captain.

## **Passagemaker Trophy**

The Passagemaker Trophy is awarded to the Navy Yacht Club Long Beach member who has made the longest cruise during the year. If you believe you're eligible or know of another member who should be considered please let me know. Please provide a brief description of the passage including dates, destinations and distance sailed. A winner will be selected and the trophy will be awarded at the General Meeting in November.

## **New Event! Sunday Funday Three Hour Cruise**

The idea of this event is to help get members out on the water. We will ask skippers to sign up their boats and then match them up with interested members who want to get out for a casual Sunday afternoon day cruise. We're planning an initial event for Sunday, September 25 so if you're interested in participating either as a skipper or as crew please let me know.

## **Fleet Captain 2023**

The call for nominations is out for flag officers for 2023. Although I didn't run for Fleet Captain for 2022 but was appointed to the job when the elected individual wasn't able to serve, I have to say that I've thoroughly enjoyed being Fleet Captain and would highly recommend that anyone who's interested in helping with leadership in the club consider nominating themselves.

The major functions of Fleet Captain are:

- Declaring the harbor "free of ice and flotsam" at Opening Day

- Promoting safety & seamanship

- Overseeing the club's cruising program

- Overseeing the club's racing program (mainly run by the Race Chair and Principal Race Officer)

- Coordinating safety for on-the-water events like Military Family Day, Women Veterans Duffy Cruise, etc.

In addition to the above functions, the Fleet Captain is a voting member of the Board of Directors, participating in the overall management of the Club. If you're interested in taking on this fun and interesting role or know of another member who would be perfect for it, see the email from Becky Martinez and consider putting in a nomination.

### Ahoy Racers

#### Long Beach Harbor High Point Series

The SIBYC Harbor Pursuit race was conducted on Saturday August 20. This race when from a start near Island Chaffee up to the LA Harbor entrance (Angles Gate) and then back around the outer break wall with the finish was inside Alamitos Bay at Navy YC. Raptor was the only Navy boat completing and finished in 8th place. The wind for the race was a pleasant 7-11 knots. But, for most of the day the wind came out of the South East (145-180 deg M). That made the upwind leg a tight reach and the downwind leg a tight reach. Only a few boats even tried flying spinnakers down the length of the breakwater. The non-spinnaker boats did well.

The next race in the series is the NYCLB All Hands Race on Saturday 10 September.

#### Thursday Evening Pop-Top Races - Series II

With one race to go in Series III, the Thursday evening Pop Top races are almost over. With five of six races complete, the five boats representing Navy YC are at the top of the leader board. In the PHRF "AA" fleet the Farr40, Jazz is in 3rd. In PHRF "A" the J109 Raptor is in 2nd and the J109 Shadowfax is in 3rd.

In PHRF "C" Dawn Patrol (Catalina 30) is in 1st with Renegade in 2nd. The five NYCLB boats are also well represented in the competition for the yearly "High Point" trophy. Out of more than 60 boats currently represented, the Navy boats are: Raptor 2nd, Dawn Patrol 3rd, Shadowfax 8th, Jazz 9th and Renegade 10th.

**Upcoming races:**

- Tuesday Salty Sailors, every Tuesday
- SLBYC Pop Tops, Last Race Thursday 1 Sep
- SIBYC Outlaw Regatta ,3 September
- NYCLB All Hands, September 10
- NYCLB Navy Day Regatta, October 15
- SIBYC Sunday Sailors, 6 Nov, 20 Nov & 4 Dec

Navy YC racers are encouraged to participate and reminded that NYCLB and Harbor Series races carry a bonus in the NYCLB Trident competition

2	31.5	Jazz
3	31	Dawn Patrol
