## *17 Rose Beauty Products to Freshen Up Your Summer*

Since we were pretty much denied a proper spring, we're carrying all the [May flowers](#) that the April showers didn't bring right on into the summer — starting with roses. Not only are they [pretty to look at](#), but these blooms also have some major skin, hair, and nail benefits. Scroll ahead to learn all the [beautifying ways](#) that you can stop, smell, and slather on roses.

**[Shiffa Rose Maroc Night Elixir \(\\$175\)](#)**: Moroccan rose helps boost circulation while the retinoid and caffeine work on cell turnover. Chamomile keeps it balanced and calm.
