11 Ways 1 Shopping Editor Is Transforming Her Wardrobe This Spring

March 24, 2018 by KRISTA JONES

It's not hard to convince me to buy new clothes. I spend my days browsing the latest deals online and curating fashion roundups, so by the time my paycheck comes in, I already know exactly what I'm buying. This Spring, I'm ready to ditch those heavy leather jackets and tight [denim jeans](#) for colorful accessories and [comfortable dresses](#). If you feel the same, I rounded up a list of chic picks that will get you inspired to [treat yourself](#) this season. From marble hoop earrings to an embroidered denim jacket and the latest [Nike air max sneakers](#), prepare to want it all.

Shiffa Jade Roller

One of my friends swears by this [Shiffa Jade Roller](#) (\$63). Simply roll it onto your face at night to help stimulate blood circulation, reduce fine lines, tone, and firm.
