

THANK YOU FOR YOUR ORDER!

Before Installation Please Check:

A: Do you have a 1995-2016 or 2017-UP H-D Touring bikes. Because we have two different version mufflers/fishtails.

B: Do you have a H-D Stock Header or Aftermarket Header like VH or Cobra etc, Our muffler can not fit some aftermarket headers well because of inlet diameter. Please check diameter before install.

C: If you found bought the wrong year or can not fit header, please keep the muffler in foam packing with all hardware, and contact us for return process. Thank you so much for your understanding!
