Renaissance Collection
 All Stainless Steel Faucet
 309001 Alessio

MATERIAL

- Premium Type 304 stainless steel

FEATURES

- Flow rate: maximum 1.80 gpm @ 60 PSI
- All Stainless Steel construction, solid build and completely lead free
- All-stainless-steel body with brushed finish that never wears off
- Elegant design with fluid lines suits wide range of kitchen styles
- High-arc spout with 360 degree rotation offers exceptional clearance for tasks around and in the sink
- Single-lever control and one-hole installation provides easy operation, clean look and superior access to counter space
- Long lasting ceramic disc cartridge
- Ergonomic sprayer head with ideal size and weight fits comfortably in your hand and pulls down for in-sink or on-the-counter tasks. It docks by weight, so you don't have to worry about failure of complicated docking mechanisms. Two simple soft buttons allow you to switch easily between stream and spray.
- Lifetime limited warranty
- Complies with NSF/ANSI 61-2016
