

Dear Montana LE Agencies,

On May 16, 2017, Broadwater County Sheriff's Deputy Mason Moore was killed in the line of duty. We, his family and friends, started the Mason Moore Foundation as a way to continue his work and to give back to the Law Enforcement community.

One of the goals of our foundation is to provide grants to help meet the needs of Law Enforcement agencies across Montana. These grants are designed to help bridge the gap between what you receive as part of your budget and what funds you might need above and beyond that to help keep your officers as safe as possible. These grants are geared towards OFFICER SAFETY, both physical and mental safety. Our hope is that this grant process will not be cumbersome and that you will not need a grant writer.

We have a Law Enforcement Advisory Board that will help review the applications and advise the Mason Moore Foundation Board.

If your agency is in need of these funds, please visit our website at masonmoorefoundation.com. Follow the instructions under the Grants tab. If you have any questions, please feel free to email us at MasonMooreFoundation@gmail.com.

If you have an emergent need for funds, please notify us and we will do what we can to help.

Additionally, if you have any suggestions or feedback for the Foundation, please feel free to reach out to us with those as well.

Thank you for all that you do and **Love Wins!**
