Happy 2022!

I hope this year is great for everyone. We are starting off with this newsletter. Our hope is to publish this quarterly. We are striving to work on our communication and keep you up to date on what we are working on and our accomplishments. We are busy selling calendars and planning our Love Wins Bash. Our Bash will be March 26th this year. Thankfully (unless something changes) we will be back to full capacity this year. COVID has been soooooo fun! We have rolled with the punches but are very grateful to get back to what we had planned a couple of years ago before the COVID Crazy hit. So many thank yous to so many people. Grateful for the Mason Moore Foundation team and to all of you that have continued to support us!

“ Thank you so much for all of your support and love in 2021. We truly appreciate your continued help with our fight! ”
