

RING SIZE BOARD

Attento, stampa questa pagina in formato A4.

Non usarlo dallo schermo del tuo computer/smartphone.

Per capire la tua misura posiziona un tuo anello sopra i cerchi.

La misura perfetta è il cerchio che coincide perfettamente al bordo.

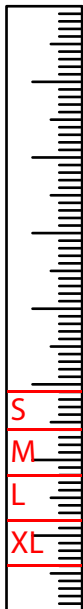

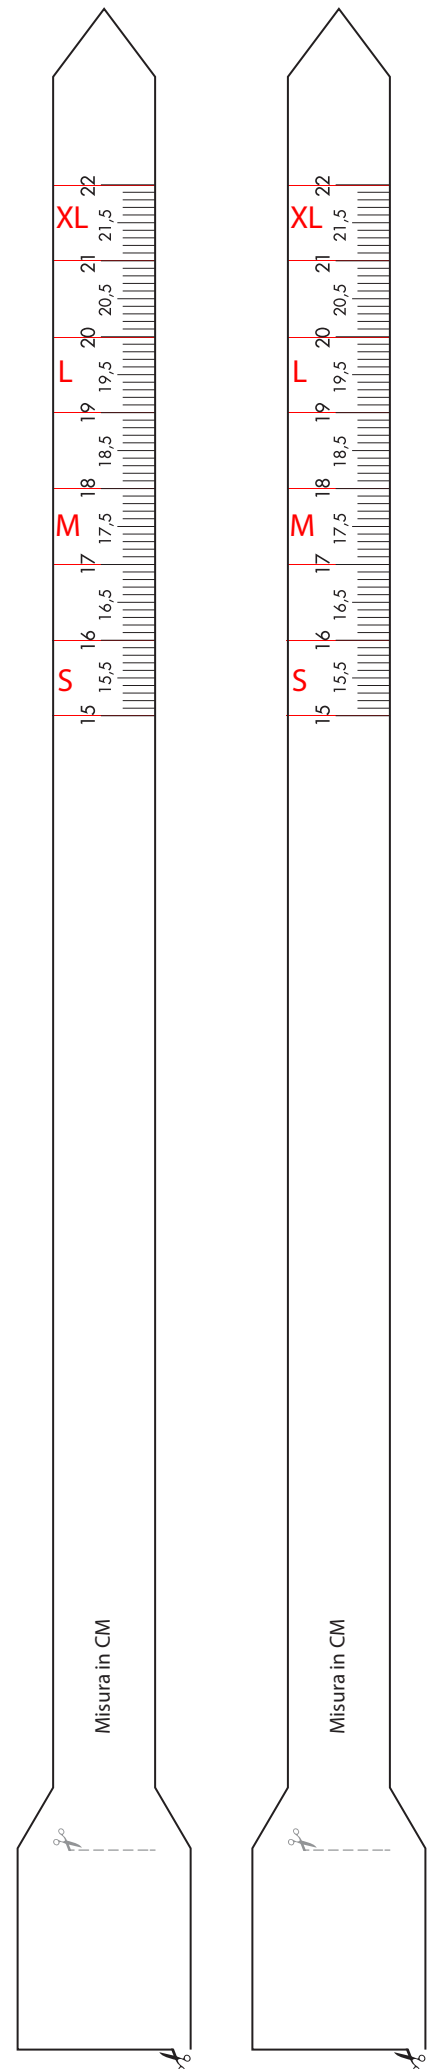

RING/BRACELET SIZE BOARD

- Attento, stampa questa pagina in formato A4.
- Ritaglia accuratamente il misuratore lungo i bordi; fai un piccolo taglio lungo la linea tratteggiata.
 - Avvolgi il misuratore intorno al tuo polso, nel punto dove vuoi indossare il bracciale.
 - Inserisci l'estremità più stretta del misuratore nella fessura che hai ritagliato e tira la linguetta finché il misuratore non si adatta perfettamente al tuo polso e alla larghezza alla quale vuoi portare il bracciale.

DONNA

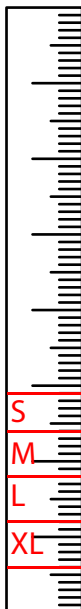

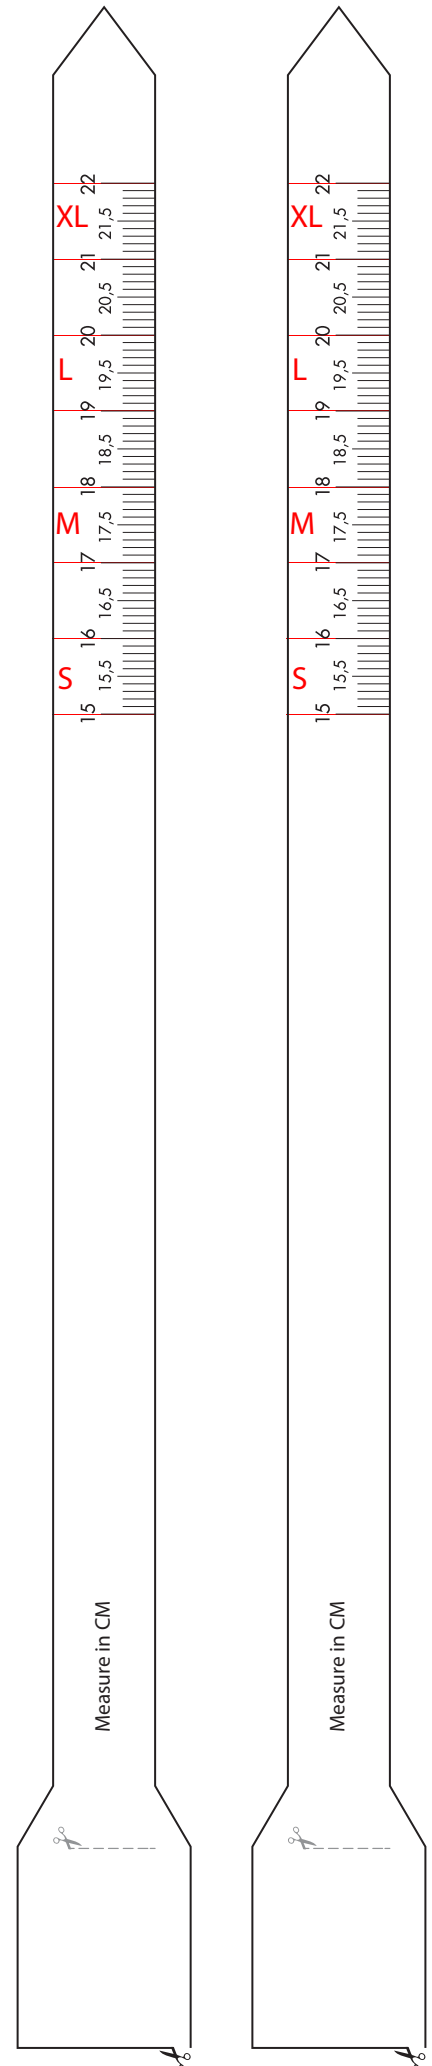

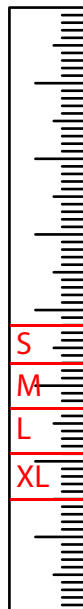

RING/BRACELET SIZE BOARD

- Be careful, print this page in A4 format.
- Carefully cut the gauge along the edges; make a small cut along the dotted line.
 - Wrap the meter around your wrist, at the point where you want to wear the bracelet.
 - Insert the narrow end of the meter in the slot you have cut out and pull until the meter does not fit perfectly with your wrist and the width at which you want to wear the bracelet.

MAN

WOMAN

RING SIZE BOARD

Be careful, print this page in A4 format.
Don't use it from computer/phone screen. To find your measure place one ring that fits you over the circles.
The perfect measure is the circle that is completely hid by your ring.
