GFWZK19

NEVERENDING

ALIENATION

Radical
simply means
“grasping things
at the root.

antagonism between those who are properly in harmony

WE KNOW
the road to freedom
has always been
stalked by death.

NEVERENDING

“Unless one lives and loves in the trenches, it is difficult to remember that the war against dehumanization is ceaseless.”

I Was One.
I Became Three

Antarctic **UFO** mystery deepens
after researchers
'find tanks guarding alien crash site'

PLANÈTE NOIRE

A 'pitch black' planet,
darker than charcoal has been discovered.
About 470 light-years away
it absorbs 99 per cent of light,
making it one of the darkest planets
ever found.

Mysterious vibes
That we share
I feel the mystery of love

After all the things were said
The mystery has gone from my head
I thought that I had worked it out
Now I know what love is about
If this feeling happens again
Don't be afraid it's not the end
All the things that come from above
It's God's way of showing...
