2018 Coastview Vineyard "Members Only" Syrah

Grape(s): 100% Syrah

Vineyard: Straddling an exposed ridge of limestone, granite and chalk soils, the Coastview Vineyard sits at 2400 feet elevation with sweeping views of the Salinas Valley, the surrounding Gabilan Mountains, and Monterey Bay in the distance. Coastview was purchased in the 90s by John Allen, who continues to organically farm the vineyard alongside his son Parker Allen. Their holistic approach with focus on sustainability can be seen in everything, from the large flock of Pygmy sheep that they use in lieu of herbicides, to the artesian spring wells that they use for irrigation in times of severe drought.

Breezes blowing in from the Monterey Bay create a maritime climate, with warm days of consistent sunshine moderated by cool nights for even ripening -- making for concentrated flavors in the grapes and elegant acidity.

AVA: Monterey

Method: The Coastview Syrah was brought into the cellar and foot-crushed, then fermented whole cluster and macerated on the skins for 25 days, receiving one pumpover per day during fermentation. Raised In 225L neutral oak barrels, racked once to tank prior to being bottled unfinned, unfiltered, with zero sulfur.
