2020 Hillside Vineyard "Disco!" Skin-Contact Sauvignon Blanc

Grape(s): Sauvignon Blanc

Vineyard: Planted in the 1980s, organically-farmed Hillside Vineyard in Talmage sits right above the City of Ten Thousand Buddhas. CCOF certified, the vines are head-trained and planted on loam. Managed and farmed by Humberto Nunez, Hillside has become a cornerstone for Subject to Change.

AVA: Mendocino County

Method: We blended two picks of SB to make Disco. Each pick was divided into two; carbonic maceration and a reverse saignée. The carbonic was uncrushed whole clusters into a sealed up tank for 2 weeks - then pressed and fermented in neutral barrels.

The reverse saignée is where half of the total fruit was added to a fermenter as uncrushed whole clusters. The other half is direct-pressed juice that is pressed into those clusters where it's pumped over daily. This allows the juice to be in contact with the skins until dryness (three weeks) thereby reducing both the amount of skins proportionate to the juice and, as a result, tannic extraction.

Each of the four components of this wine was aged in neutral barrels for seven months before being racked to a bottling tank. As always, bottled unfinned, unfiltered with no addition of SO₂.
