2020 Kazmet Vineyard "Bang Bang" Old-Vine Chardonnay

Grape(s): Chardonnay

Vineyard: This was our first vintage making Bang Bang from the old-vine fruit at Kazmet Vineyard in Redwood Valley. We've been thrilled to work extensively with Neil Mettler & Leila Kazimini, the proprietors of this stunning property that is planted to Chardonnay, Zinfandel and Syrah (we work with all three varieties from their site). The Chardonnay was planted in the 60s and is dry farmed and head trained (think bush vines). The vines look like trees as you walk through the vineyard.

AVA: Redwood Valley

Method: The Chardonnay was foot crushed, macerated overnight, pressed to a stainless tank, and then moved to neutral oak barrels at the start of fermentation. The wine spent 10 months in barrel before being racked to a bottling tank. As always, bottled unfined, unfiltered, and with no addition of SO₂.

ABV: 12.8%

Case Production: 144 cases

Bottling Date: April 2021

Release Date: March 2023
