

SUBJECT TO CHANGE

WINE CO.

2021 Hillside Vineyard "Pet-Nap" Skin-Fermented Sauvignon Blanc Pet Nat

Grape(s): Sauvignon Blanc

Vineyard: Planted in the 1970s, organically-farmed Hillside Vineyard in Talmage sits right above the City of Ten Thousand Buddhas. CCOF certified, the vines are head-trained and planted on loam. Managed and farmed by Humberto Nunez, Hillside has become a cornerstone for Subject to Change.

AVA: Mendocino

Method: The base wine of this cuvée is the same as 2021 'Discol!' but the wine spent over a year in barrel and is sparkling.

When the grapes came in, back in August of 2021, they went to a stainless tank for carbonic maceration and spent a week on the skins. The wine was then pressed and moved to neutral oak barrels for 14 months of elevage. In November 2022, we single-racked from barrels into a bottling tank. We added thawed, unfermented rosé must of Merlot that we froze, and brought the wine to 19g/L of residual sugar before bottling. We bottled under crown cap and the wine finished fermentation in bottle to go sparkling. As always, bottled unfined, unfiltered, and with no addition of SO₂.

ABV: 12.3%

Case Production: 130

Bottling Date: November 2022

Release Date: May 2023
