2021 Rhodes Vineyard "Party Monster" Rosé

Grape(s): Merlot, Zinfandel, Carignan and Grenache

Vineyard: Rhodes Vineyard is farmed by Richard Rhodes and his son Christian and is a treasure trove of old vines with Grenache planted in the 40s, Carignan in the 60s, and interplanted “younger” Merlot and Zinfandel vines.

AVA: Redwood Valley, Mendocino

Method: The grapes were foot crushed, macerated overnight, and then pressed to a stainless tank for fermentation. After primary fermentation, the wine was racked off the lees. We made an addition of unfermented merlot must to bring the wine to 12g of residual sugar before bottling. We bottled the wine under crown cap with the intention of allowing the wine to finish fermentation in bottle, but it never went sparkling. As always, bottled unfiltered, unfiltered, and with no addition of SO₂.

ABV: 12.5%

Case Production: 240 cases

Bottling Date: October 2021

Release Date: October 2022
