**Organic Botanicals:** (Starwest Botanicals) Cinchona, Gentian, Dried Orange Peel, Dried Lemon Peel, Cinnamon, Allspice, Vanilla, Dried Lavender, Pink Peppercorn, Dried Ginger Root, Clove

**Vineyards:** Hillside Vineyard, Rodnick Vineyard, Muniz Vineyard, Ciapusci Vineyard

**Method:** We had a bunch of red wine from our 2021 vintage that did not go dry (mostly Zinfandel). This presented a great opportunity to create a naturally off dry base wine for an aromatized wine, as the natural sugar in the wine balanced out the bitterness of the botanicals. We macerated the botanicals in the wine for two weeks in a stainless steel tank. The aromatized wine was then blended with 10% soda water and packaged in a 250ml can. As always - native yeast fermentation, unfinned, unfiltered, no added SO<sub>2</sub>.
