

BLENDO

2014 Blendo | napa valley red wine

tasting notes

The 2014 vintage marries the best features of several varietals to create a unique and sophisticated blend. We sourced Sangiovese from both the valley floor and higher elevations and blended it with rich, fruity Merlot and some dark, full-bodied Syrah from the heart of our Valley.

The wine has a captivating aroma of red berries and black cherries. On the palate, the lushness of the ripe berries is accented by subtle notes of mocha, cedar, and savory herbs. The wine has a rich mouthfeel and full, generous tannins, ensuring that this vintage of Blendo, while enjoyable in its youth, will age gracefully for the next 5 to 7 years.
