Fit Guide

Mecklaces

Tarrings

These are general guidelines, the sizing will not apply to everyone and will most likely vary.

Rings

Love our ring styles but not sure if it will fit you? Print on 11*8.5 **portrait**, US letter size paper, with a scale at 100%, and be sure to deselect «Fit To Page». Once your internal ring diameter and the circle match up, you will have your correct ring size. Our most popular ring size is 7.
