What is it ?

The Assisted Instrument Purchase Scheme (A.I.P.S) enables pupils at Local Education Authority schools, who receive lessons as part of the school curriculum to obtain an instrument without paying the VAT.

What are the conditions ?

1. The student must be in full time education at an L.E.A school.
2. The student must be receiving weekly tuition at school as part of their curriculum.
3. The instrument must be appropriate for the pupil's needs. An absolute beginner should not acquire a handmade professional instrument for example.
4. The instrument must be capable of being carried to and from school by the pupil and must not be left permanently at home or school.
5. The instrument must be handed to the pupil on school premises.

How does the scheme operate ?

1. Choose your instrument (contact Becketts on 023 8022 4827 if you require any assistance)
2. Check that your school or music centre operates the 'Assisted Instrument Purchase Scheme' and they are happy for you to use this form (e.g. if they do not have their own version)
3. Complete the form and send it direct to your school with a cheque or bankers draft in full payment.
4. Your school will raise an order with Becketts Music for your instrument.
5. Becketts Music will despatch the instrument direct to the school and you will be contacted for collection on their premises.
6. Upon receipt ownership of the instrument transfers to the parent/guardian. Any subsequent enquiries should be directed to Becketts Music as the supplier.
7. This scheme is operated on a non-profit making basis. A small charge may be made by the school or music centre to cover any administrative costs involved.
