Company Introduction

'DIDI' is a title that gives a sense of respect to sisters and sisters. By attaching 'DIDI' to the 'possessions' of our four sisters, we wanted to share jewelry with a message of respect and beauty to all the holders of the world that meant more than their sisters, and share their emotions. DIDI's jewelry maximizes the beauty of the unique characteristics of metal alone, and harmonizes the various gemstones that the designer chooses and imports with metal to create special jewelry that can not be seen anywhere.
