Company Introduction

We, FullsN, started as a PR agency to promote cosmetic brands of domestic and overseas companies. With a deep understanding of customers' trend, we developed and launched our own brand premium toothpaste BONABITS.

Bonabits is a brand that has positioned itself as a premium brand by introducing toothpaste that emphasizes natural ingredients and natural ingredients.

All toothpaste products of toothpaste was selected as the "High Seoul Brand Award" and has been recognized for its excellent product quality. Various oral care products such as toothpaste, toothbrushes, and dental floss are manufactured and sold.

It is a company that produces eco-friendly green products that discard harmful ingredients and seek natural health.

We have already entered into partnership with well known online malls in Korea, such as drugstore BOOTS, LOTTE Duty Free Shop and SHILLA Duty Free Shop etc. We plan to expand our business to offline shop sales and overseas sales actively.
