Company Introduction

We aim to live according to Deuteronomy 28: 6, "You will be blessed when you come in and blessed when you go out," searching and providing the things we need, and increasing the value and happiness of everyone's life.

Rather than simply producing and selling products and earning profits, we will research on what customers need, improve on the weaknesses of existing products, fixing small things one by one in order to create a happy life together.

"At I&O International, we live together and enhance value and happiness in life"

SRB Stabilized Rice Bran Enzyme Powder Wash 70g

Beauty&Health › Beauty › Skincare

*Description

The Stabilized Rice Bran Powder Wash is unlike any other powder wash we've seen before.

While other powder washes simply use a rice flour based formula, SRB features the rice bran extract, which creates a soothing effect on skin.

Furthermore, the rice bran extract is described as "stabilized" because the proprietary formula actually managed to stabilize the active nutrients in the bran after extraction.

The otherwise very unstable nutrients are therefore maintained (along with their benefits) without the use of chemical preservatives which are typically used in other cleansers which then mute the positive potential of the nutritious rice bran extract.

Anti-inflammatory properties also assist in healing chapped and damaged skin.

The cleanser maintains a low pH of 5.5 due thanks to natural amino acid surfactants, not the kind of chemical additives that boost pH, potentially stripping skin and damaging the moisture barrier.

Appropriate for all Skin Types. Ideal for Sensitive Skin.

*Suggested Use

Wet skin with lukewarm water, add a small amount of water to your hand, and dispense about 1 gram of product into your palm.

Work powder into a foam by rubbing hands together.

Apply to skin and massage using circular motions. Rinse with water.

*Ingredients

Zea Mays (Corn) Starch, Sodium Cocoyl Isethionate, Sodium Lauroyl Glutamate, Oryza Sativa (Rice) Bran Extract, Citrus Grandis (Grapefruit) Seed Extract, Pollen Extract, Allantoin, Collagen, Betaine, Aloe Barbadensis Leaf Juice, Sorbitol, Isopropyl Prlmitate, Ascorbyl Palmitate, Titanium Dioxide (CI77891), Citric Acid, Disodium EDTA, Papain, Fragrance
