### COMPANY INTRODUCTION

average point

**4.05**

Rating Region

Geumsan Ginseng Cooperative is a specialized manufacturer of excellent ginseng and herbal products in Geumsan County as well as in-house production. By constructing a one-stop system from cultivation to manufacturing and distribution (export) It is our greatest strength to be able to produce and supply excellent ginseng and herbal medicine products through marketing. In particular, we are striving to globalize our products by being able to design new products and to be recognized for their competitiveness in the overseas market by continually researching for the global market as well as domestic market.
