COMPANY INTRODUCTION

average point

4.17

Rating Region

April Korea is the company who produce & sell nail art stickers, gel nail strips, kids nail stickers, jewel nail stickers and body tattoos. Our products are all related with printings, which belongs to beauty products. So, if there is anything related with printings, we can develop it for customers.

Our main market is Japan & Korea. We exports jewel nail art stickers & various nail art stickers to Japan which are all OEM/ODM products. Our strongest points are to have own production line & design power so that we can move all products flexibly with design trend. We also sell various nail art stickers to Korea beauty companies with OEM/ODM products and sell our own branded products with APRIL through on & offline shopping malls. In 2018, we expect double sales revenue through overseas & domestic market and hope all global beauty partners works with April.
