COSBON

## COSBON Color Control Cushion Compact SPF50+++

A cushion compact of tinted skin care that blurs imperfections and helps to minimize visible signs of aging while you're on the go, leaving skin looking flawless and luminous while protecting with SPF 50+++. The airtight compact case block air from entering and contaminating the contents when inside lid of the case is closed. The plastic dish is a refill type that doesn't require any filling mold.

What it is formulated WITHOUT: Parabens, Sulfates, Phthalates

FOB Price USD 4.36

M.O.Q. 5,000 pieces

Target Customer Makeup artist & young woman

Target Countries China & Middle East, Latin & Russia

## COSBON Perfect Setting Powder

COSBON Perfect Setting Powder formula is a pressed powder type that can keep ingredients and fragrance longer.

The built-in Powderizer allows you to freshly grind the perfect amount for a single application every time without fear of mess or over-powdering.

The built-in powderizer (powdering machine) is our innovative technology and the only exclusive container in the world.

FOB Price USD 4.8

M.O.Q. 5,000 pieces

Target Customer Makeup artist & young woman

Target Countries China & Middle East, Latin & Russia

## COSBON Retractable Brow Pencil - Waterproof

A powder pencil that softly fills in and defines brows with quick, easy strokes. Spiral brush at the other end helps create a neat, natural finish.

- Powder formula pencil developed with COSBON technology will express natural eyebrows.
- Antioxidant ingredients protect skin around the eyes and it can be used freely anywhere, anytime.
