## Pureforet Centella Multi Care

"Pureforet is based on the concept "Cultivated Ingredients", creating a healthy and lively skin with natural ingredients made by Pureforet.

All raw materials used in Pureforet products are safe cosmetic ingredients designated by Korea Food and Drug administration through scientific assessments. Pureforet cosmetics are natural cosmetics that do not contain 26 kinds of allergens or 20 kinds of hazardous chemicals. You can use it safely.

Madecassic acid in Centella Asiatica, the main ingredient of Centella Multi Care soothes acne and sensitive skin. Pureforet Centella Multi Care strengthens the skin barrier, maintains skin moisture, and help relieve itch.

### COMPANY INTRODUCTION

average point

**4.50**

Rating Region

With 10 years' worth of know-how as Ecocation's manufacture and distribution background for natural ingredients, we launched Puregen (Premium Natural Cosmetic, target age:30-50) and Pureforet (The first hypo-allergenic natural cosmetics, target age:10-20). All products and most of their ingredients are developed and manufactured by ourselves as we have our own R&D center and factory.
