Marshall Corporation, a Korean manufacturer of the high-end skin care under its brand SCHWANENGARTEN, has a strong research background and experience in natural organic ingredients for beauty & health care through its own research and global partnership network. SCHWANENGARTEN Natural Antioxidant Skin Care persists to unique recipes based on naturally originated and clean ingredients, particularly powerful natural antioxidants to provide safe and effective care of skin health. Antioxidant Complex of natural origin developed at the SCHWANENGARTEN's laboratory is aimed to achieve utmost performance at scavenging free radicals that damage structure of skin cells, stimulating synthesis and stabilizing structure of collagen fibers, suppressing synthesis of melanin, promoting skin brightening and anti-inflammatory protection and retarding ageing process of skin at cellular level. SCHWANENGARTEN recipe is absolutely free from harsh chemicals and unclean ingredients, suitable for all ages, gender and types of skin.
