Rating Region

REBECOCO is natural skin and hair care cosmetic brand that makes premium product by gaining the high-enriched extract with the dew extract method, the traditional one which extracts the fuction of plant raw material with efficiency.

We made it by fermenting & distilling the carefully selected medical herbs such as Korean Dendropanax as to be called 'ginseng tree' and 11 oriental herbs medicines

GOLDEN DRIP oriental herbs extract improve the fuction of protecting the moisture, elasticity and gloss for the contemporaries' skin which has been sensitive from various environmental factors, keeping it heathy & glowing. We didn't use alcohol when gaining the extract from the raw material in order not to stimulate the skin
