COMPANY INTRODUCTION

Zenithcare Co., Ltd. is a manufacturer that specializes in home care products, such as hair mask, hand mask, foot mask, nail mask, and dead-cell care mask, etc. We supply OEM and ODM to the medium-sized cosmetic companies in Korea. We are an original contractor for production technique and have a patent on it. Currently, our OEM products are supplied to Daenggimori and promoted on a home shopping TV channel, Home&Shopping, as well as being exported to 8 countries across the world.

Under the consideration that the existing OEM supply has a limit to Zenithcare's further growth, we have prepared our own brand of high elasticity hand/foot beauty packs, which is scheduled for launching in December 2018.
