COMPANY INTRODUCTION

BADAONE Co.,Ltd is established in 1998 and takes great pride with producing and marketing the highest quality of dried seafood products.

Our company is distributing products to one of biggest department store and supermarket in S. Korea such as Lotte department ,Lotte mart, Lotte supermarket, as well as Savezone and Kim's club. We're rapidly growing with young spirit and even in 2014, We hit the No.1 on the roasted & seasoned seaweed category at LOTTE mart.

Since then the roasted &seasoned laver has became our main products and now we're exporting this to all over the world.

Our products are manufactured and managed in HACCP and ISO 2200 certified production line so we guarantee its safety and quality .

Above all things, we're making every effort for R&D to make safe and better quality goods and trying our best to meet the customers' need of delivery, quality and price all the time
