COMPANY INTRODUCTION

Rating Region

Chungwoo Food Corporation has served consumers and clients as No.1 sauce and spices manufacturer in Korea since 2004. It is the very first company which developed capsaicin sauce and now produces around 60 kinds of sauces and spices.

The strength of Chungwoo Food comes from having the in-house high quality production facility which acquired HACCP and US FDA approval. The company has improved the facilities and production capacity to better cater the needs of consumers. There is also in-house R&D team consisting of experts to continuously improve the quality of products and manufacture products customized upon request of clients.
