The Human Well, founded in 2000, is a manufacturer and distributor of red ginseng makers and a variety of dried seaweed laver foods.

After developing roasted laver with red ginseng, we have continuously expanded our product range to include each of green tea, saltwort, Kimchi and Wasabi as an additional ingredient to laver. We export seaweed laver products to Hong Kong, the U.S., Japan and Vietnam.

In addition, we offer seaweed snacks, it is developed by modifying a traditional Korean food.

Human Well is dedicated to developing high quality products and contributing to health and wellness of customers. and We have various certificate documents (FSSC22000, ISO22000), and we are trying to obtain another certification.
