AUNO is a compound word that consists of 'A' and 'one' in Spanish alphabet, meaning 'foremost', and 'best'. And the pronunciation of 'AUNO' is similar to the Spanish word 'aunar' that means 'to be one', or 'to be united'. AUNO (foremost, best, one) is a true community. Hereby, we mean by 'community' the organic relationship of the Earth that we have to pass on to our descendants, workers and laborers of raw materials, consumers and AUNO. Now, we hope that we could build up a world where we can be one with a good vision together with AUNO.
