Rating Region

AITL Co., LTD was founded in the name of HSL International in 2001 and has been in the business as a manufacturer and a distributor mostly in Europe and Asia. In 2016 we re-established the company with changing its name to AITL and have been preparing to expand our business to North America region not only for export but also import as well.

"the right product in the right place at the right time"

We never stop studying consumers' needs and developing and sourcing market-worthy items. Our goal is creating and bringing the market to another level by supplying innovative items that meet people's needs. AITL is just ready to be your trustworthy partner having consistency and reliability which we believe two least factors required to be a supplier. We hope you to take this great challenge and build up a long time relationship with us.

"we create the lifestyle and you spread it to the world."
