COMPANY INTRODUCTION

average point

3.72

Rating Region

The Company is specialized in functional chair developing and manufacturing and has continuously put on researching effort with the result of 5 patent item and 7 design related certification. The company is producing the company's unique products with 5 original brand that does not have competitive products.

We have achieved all excellent certification including procurement, function certification and GD products. This proves the ability we have regarding both the quality and design. Currently we are managing off-line sale to domestic public institutions, Hyundai Department, and Kyobo Hot Tracks.

We are also exporting to Japan, Taiwan, Thailand, Guam, Myanmar, Ethiopia and New Zealand.

#Leading manufacturer of chair in Korea.
