EZDOME House

Living › Living Households › Home/Garden/Tool

EZDOME House presents a new paradigm as a prefabricated residential and rest area in response to the wide spread of modern people's diverse hobbies and leisure culture.

The EZDOME House is designed for easy assembly without the need for any technology or equipment. It is an eco-friendly, prefabricated residential area that can be used semi-permanent in a variety of situations and topography. It uses non-toxic, non-toxic materials for low cost.
