Flat foldable shape allowing easy use and storage  
Swivel and flat construction, with dual hooks at the top and the bottom and 10 loops on both wings, makes it easy to spread, use and store compactly.

Easy-to-use and versatile hanger

Convenient swivel and foldable construction and dual hooks at the top and the bottom can hold both coats and pants. 10 loops on both wings can be efficiently used as a rack for hanging additional items.

Keeping all kinds of clothes intact for a long time

Compact swivel and foldable construction with ergonomic design can store and keep clothes without stretching the neck, and 4mm thickness wings of the hanger can keep the original shape of clothes for a long time.

Thinking about space and design

Slim construction that can be folded flat is easy to use, saves closet space and delivers value to design with its optimum ergonomic design.
