VER. 2.0

MARATHON 

This family photo was taken in 1892. Hersh Wein is seated and on his lap is Morris Wein at approximately one year old.

In 1939, Morris Wein founded Marathon Watch, supplying fine precision timepieces throughout North America. Since 1941, Marathon has been manufacturing timing instruments for the Allied Forces, and today the fourth generation of the family continues the tradition with a wide range of instruments measuring time, temperature and distance. Marathon watches combine military durability with Swiss engineering and craftsmanship to ensure the highest level of quality and precision.

Marathon products are manufactured with the utmost care and go through various quality control measures. This attention to quality is supported by a commitment to excellent customer support to ensure the best possible product experience.

Marathon ~ Best in the Long Run.

SKU: EL888017-GR

NSN: 7520-01-574-8720

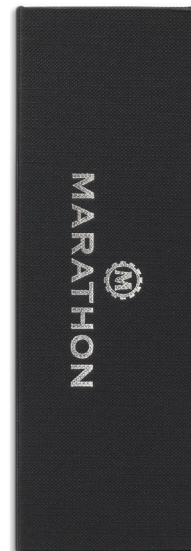

NVG Green Laser Pointer

(Length x Depth): 6 x 0.5 in (15.24 x 1.27 cm)

- Pen shaped laser pointer with solid night vision green laser.
- Dark grey, non-reflective barrel.
- Comes with pocket clip.
- Shipped in durable carrying case.
- 532 nm green laser beam at 1 mile nighttime range.
- Visible in broad daylight.
- 20 times brighter than red laser.
- Uses two batteries (included).

Specifications

- 9,000 feet maximum range (less in daylight).
- Power Output: < 5.0mW (Class IIIa laser product).
- Battery Type: Includes 2, AAA Batteries.

SKU: EL888019-RD

NSN: 7520-01-392-5300

Red Laser Pointer

(Length x Depth): 5.5 x 0.5 in (13.97 x 1.27 cm)

- Pen shaped laser pointer with solid red laser.
- Dark grey, non-reflective barrel.
- Comes with pocket clip.
- Shipped in durable carrying case.
- 650 nm red laser beam at 1 mile nighttime range.
- Visible in broad daylight.
- Constant wave output mode.
- Uses two batteries (included).

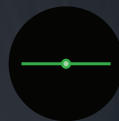

Specifications

- 9,000 feet maximum range (less in daylight).
- Power Output: < 5.0mW (Class IIIa laser product).
- Battery Type: Includes 2, AAA Batteries..

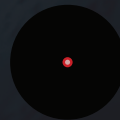

4 CUSTOMIZED SYMBOLS

4 CUSTOMIZED SYMBOLS

Multi Symbol Laser Pointer: NVG Green

SKU: EL888025-GR

(Length x Depth): 6 x 0.3 in (15.24 x 0.76 cm)

- Latest crystal technology to produce a bright 532nm green laser beam that reaches a range of 1 mile during night-time hours.
- Emits a beam that is 20 times brighter than the red laser beam.
- Reaches a range of almost 2 miles in broad daylight.
- 4 Custom pointers that rotate as you change the pen's cap, including the following: precision dot, circle, narrow line, and an arrow.
- Useful for highlighting information on presentations, graphics, board meetings, and more.
- Includes 2, AAA Batteries.

* Actual Size

Multi Symbol Laser Pointer: Red

SKU: EL888024-RD

NSN: 7520-01-694-1460

(Length x Depth): 6 x 0.3 in (15.24 x 0.76 cm)

- Latest crystal technology to produce a bright 650nm red laser beam that reaches a range of 1 mile during night-time hours.
- 4 Custom pointers that rotate as you change the pen's cap, including the following: precision dot, circle, narrow line, and an arrow.
- Reaches a range of almost 2 miles in broad daylight.
- Useful for highlighting information on presentations, graphics, board meetings, and more.
- Includes 2, AAA Batteries.

* Actual Size

SKU: EL888020-RD

NSN: 7520-01-449-8335

Red Laser Pointer with Blink Mode

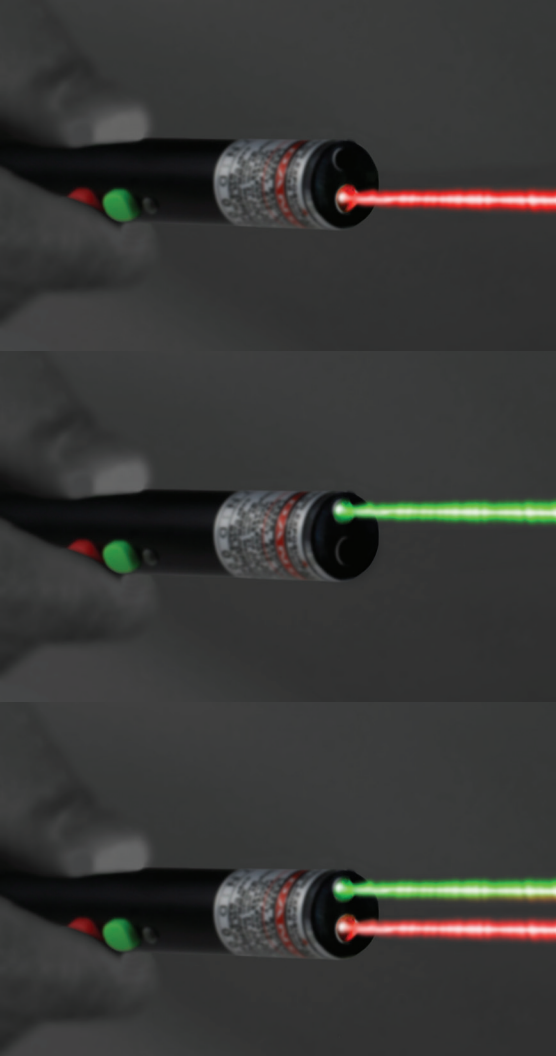

(Length x Depth): 5.5 x 0.5 in (13.97 x 1.27 cm)

- Pen shaped laser pointer with separate buttons for blink mode & solid laser functions.
- Dark grey, non-reflective barrel.
- Comes with pocket clip.
- Shipped in durable carrying case.
- 650 nm red laser beam at 1 mile nighttime range.
- Visible in broad daylight.
- Low battery indicator.
- Constant wave output mode.

Specifications

- 9,000 feet maximum range (less in daylight).
- Power Output: < 5.0mW (Class IIIa laser product).
- Battery Type: Includes 2, AAA Batteries.

SKU: EL888023-RG

Dual Red and Green Laser Pointer

(Length x Depth): 6 x 0.5 in (15.24 x 1.27 cm)

- Pen shaped laser pointer with both independent red & green laser lights.
- Separate buttons for red and green laser functions (lasers can be displayed independently or together).
- Dark grey, non-reflective barrel.
- Comes with pocket clip.
- Shipped in durable carrying case.
- 650 nm red laser beam and 532 green laser beam at 1 mile nighttime range.
- Comes with two batteries

Specifications

- 9,000 feet maximum range (less in daylight).
- Power Output: < 5.0mW (Class IIIa laser product).
- Battery Type: Includes 2, AAA Batteries.

SKU: EL888029-GR

Green Laser Designator Pointer

(Length x Depth): 3.78 x 1.57 in (9.6 x 3.98 cm)

Specifications & Features

- Output power: < 5mW, CL IIIa.
- 532nm wavelength / 500 yards (nighttime range).
- Output Mode: CW | Beam Quality: TEM00.
- Operation Temperature: 15 ~ 35 oC
Input Voltage: 3VDC(1 x CR123A – Marathon P/N EL888003 which will provide approximate 4-6 hours continuous laser use).
- Beam Divergence: < 1.5 mrad.
- Operating Current: < 300 mA.
- Dot Size: 1/2" @ 10 Yards; 5" @ 100 yards.
- Windage & Elevation adjustment: 3 ft. @ 10 yards; 30 ft. @ 100 yards.

Product Highlight

- Made of Aerospace-grade aluminum with anodized finish
- Product net weight: 5.22 oz. (including battery)
- Light weight compact design make weapon handling easily
- Available color: black (type III Hard anodized)
- Laser operation: an ambidextrous Momentary & Constant ON/OFF toggle switch design.
- Innovative quick attach/detach weapon rail mounting system
- Exceptional glass laser lens produce better beam focus for more accurate target acquisition.
- Includes 2, CR123A Batteries.
