

*Dear Tooth Fairy,*

*I am so excited! I just lost my first tooth. It has been growing for a while and finally came out. Since this is my first tooth, it is extremely valuable. I have lots of growing to do and plan on losing more teeth as my permanent teeth grow in but this tooth is extra special since it is my first. I am sure you can use it and will see just how valuable it is.*

*Thank you,*

*<Child's Name>*
