Bug & Grime Remover

A pre-wash cleaner designed to loosen and gently break down bug splatter, traffic film, general grime and contaminants from surfaces, helping to reduce the risk of scratching, marring and fine swirl marks during subsequent contact washing. Its Ph balanced formula, containing natural mint essential oils and high-performance detergents is safe for use on paintwork, glass, plastic, and is wax and sealant friendly.

Features + Benefits:

Pre-wash all-Purpose cleaner

Highly concentrated

Fast acting

pH Balanced

Gentle but effective formula containing natural mint essential oils.

Wax, sealant and polish friendly

Safe for use on all paint finishes

Directions For Use:

Spray directly onto affected surface and allow product to dwell for several minutes, and then rinse off the grime, contaminants and product residue with a pressure washer or hose.

NOTE: Do not apply if the vehicle is warm or in direct sunlight. Ensure product residue is rinsed from vehicle thoroughly and do not allow the solution to dry on surfaces.

STORAGE: Store the bottle in an upright position in a cool dark place and ensure lid is replaced after use.
