Developed with the needs of classic leather finishes in mind, to gently restore neglected leather upholstery. Gently remove stains from delicate leather surfaces, and safely restore the natural finish.

Features + Benefits:

Developed with the needs of classic leather finishes in mind

Rich foaming cleaner ensures maximum cleaning performance, combined with ease of use

Performance cleaning agents to remove grime

Delicate to leather surfaces

Restores the natural finish of fine leather upholstery

Compatible with all modern leather upholstery surfaces

Directions For Use:

Shake well before use and apply a light mist of product onto one area at a time, and buff with a general purpose microfibre cloth, or agitate with a leather or upholstery brush. Remove residue.

Alternatively, you can spray directly onto a microfibre cloth, spread onto surface and buff off the residue with a clean microfibre cloth, or agitate with a leather or upholstery brush. Remove residue.

STORAGE: Store the bottle in an upright position in a cool dark place and ensure lid is replaced after use.

NOTE: For best results, use in combination with Leather Conditioner cream to further restore a natural finish.
